Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

ITEM 7.01 REGULATION FD DISCLOSURE

On September 4, 2020, DPW Holdings, Inc., a Delaware corporation (the “**Company**”), issued a press release announcing that its wholly owned subsidiary, Coolisys Technologies Corp. (“**Coolisys**”), along with partner companies, will be conducting tests of its new electric vehicle (“**EV**”) charger product line. The testing will take place at Coolisys’ new headquarters, located at 1635 South Main Street, Milpitas, CA 95035.

A copy of the press release is furnished herewith as **Exhibit 99.1** and is incorporated by reference herein.

In accordance with General Instruction B.2 of Form 8-K, the information under this item, **Exhibit 99.1** shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing. This report will not be deemed an admission as to the materiality of any information required to be disclosed solely to satisfy the requirements of Regulation FD.

The Securities and Exchange Commission encourages registrants to disclose forward-looking information so that investors can better understand the future prospects of a registrant and make informed investment decisions. This Current Report on Form 8-K and exhibits may contain these types of statements, which are “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, and which involve risks, uncertainties and reflect the Registrant’s judgment as of the date of this Current Report on Form 8-K. Forward-looking statements may relate to, among other things, operating results and are indicated by words or phrases such as “expects,” “should,” “will,” and similar words or phrases. These statements are subject to inherent uncertainties and risks that could cause actual results to differ materially from those anticipated at the date of this Current Report on Form 8-K. Investors are cautioned not to rely unduly on forward-looking statements when evaluating the information presented within.

Where You Can Find Additional Information

Investors and security holders will be able to obtain documents filed with the Securities and Exchange Commission free of charge at the Commission’s website, www.sec.gov. Security holders may also read and copy any reports, statements and other information filed by the Company with the Commission, at the SEC public reference room at 100 F Street, N.E., Washington D.C. 20549. Please call the Commission at 1-800-SEC-0330 or visit the Commission’s website for further information on its public reference room.

DPW Holdings' Coolisys Power Electronics Business Announces Partner Testing and Expected Orders for Electric Vehicle Charger Product Line

Coolisys to Test Performance of Fast Chargers Including CHAdeMO, CCS, J1772 and Tesla Standards

Newport Beach, CA, September 4, 2020 -- DPW Holdings, Inc. (NYSE American: DPW) a diversified holding company ("DPW," or the "Company"), announced that its power electronics business, Coolisys Technologies Corp. ("Coolisys"), along with partner companies, will be conducting tests of its new electric vehicle ("EV") charger product line, including innovative charging solutions that are expected to produce a full charge for an EV with a 150-mile range battery in just over 30 minutes. The testing will take place at Coolisys' new headquarters, located at 1635 South Main Street, Milpitas, CA 95035. Coolisys expects that it will receive initial orders for its EV charger products beginning in the fourth quarter of 2020.

The EV charging stations market is projected to reach \$27.7 billion by 2027 from an estimated \$2.5 billion last year, growing at a compound annual growth rate of 34.7%.

The Coolisys EV charger product line includes level 2 (240V AC) EV chargers for residential and commercial usage and level 3 (480V DC or higher) fast charging solutions for commercial applications. Coolisys EV charger solutions include multiple types of connector standards including CHAdeMO (e.g., Honda, Nissan, Toyota, others), CCS (e.g., BMW, Ford, GM, Jaguar, Volkswagen, others), J1772 and Tesla.

The Coolisys product line includes the following:

AC product line:

- 7kW single-phase AC slow EV charging
- 22kW single-phase AC slow EV charging
- 42kW single-phase AC slow EV charging

DC product line:

- 60kW triple-phase DC fast EV charging
- 80kW triple-phase DC fast EV charging
- 120kW triple-phase DC fast EV charging
- 160kW triple-phase DC fast EV charging
- 180kW triple-phase DC fast EV charging
- 240kW triple-phase DC fast EV charging
- 320kW triple-phase DC fast EV charging

Coolisys' President and CEO, Amos Kohn said, "We are looking forward to testing our new EV charger products with our key partner companies. These new products are well positioned to address the expected rapid expansion of infrastructure required to support broad adoption of electric vehicles globally. Our entrance into the EV charger market significantly expands the breadth of our product offerings and we expect to receive initial orders for these products in the fourth quarter of 2020."

For more information on DPW Holdings and its subsidiaries, the Company recommends that stockholders, investors and any other interested parties read the Company's public filings and press releases available under the Investor Relations section at www.DPWHoldings.com or available at www.sec.gov.

Forward-Looking Statements

This press release contains "forward looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements generally include statements that are predictive in nature and depend upon or refer to future events or conditions, and include words such as "believes," "plans," "anticipates," "projects," "estimates," "expects," "intends," "strategy," "future," "opportunity," "may," "will," "should," "could," "potential," or similar expressions. Statements that are not historical facts are forward-looking statements. Forward-looking statements are based on current beliefs and assumptions that are subject to risks and uncertainties. Forward-looking statements speak only as of the date they are made, and the Company undertakes no obligation to update any of them publicly in light of new information or future events. Actual results could differ materially from those contained in any forward-looking statement as a result of various factors. More information, including potential risk factors, that could affect the Company's business and financial results are included in the Company's filings with the U.S. Securities and Exchange Commission, including, but not limited to, the Company's Forms 10-K, 10-Q and 8-K. All filings are available at www.sec.gov and on the Company's website at www.DPWHoldings.com.
